

TEL AVIV 19th May 2016

Crowne Plaza Tel Aviv City Center

136 Menachem Road Azrieli Center 5, Tel Aviv

Dear Friends and Colleagues,

AFIIM is pleased to present its SECOND MRI course .

This course will include this year : GI IMAGING  
These sessions will be set up upon "How do it ?".  
Each session consists of practical concepts for the practical realization of MRI examinations (optimal choice of sequences , suitable settings ,patient positioning etc . )

Before each course , quizzes will allow a self - assessment by voting beyond a box.(don't forget to return it after the course).

The answers to the quizzes will be given during the tuition . A prize will reward the winner.

All courses will be posted on the site
