Dear Friends and Colleagues,

AFIIM is pleased to present its THIRD MRI course .

This course will include this year : Female and Male Pelvis MR imaging.

These sessions will be set up upon "How I do it ?".

Each session consists of practical concepts for the practical realization of MRI examinations (optimal choice of sequences , suitable settings ,patient positioning etc . )

Before each course , quizzes will allow a self - assessment by voting beyond a box.(don't forget to return it after the course).

All courses will be posted on the site [www.afim.com](http://www.afim.com)

Thank you kindly return the plug satisfaction questionnaire at the end of the conference.

We wish you a good conference!
